Sir,

Subject - Revision of Scales of pay of employees in Birur Town Municipality-

In forwarding herewith the file of correspondence on the above subject, ending with the report No H C 30/47-48 dated 4-12-1947 from the President, Town Municipal Council, Birur, I have the honour to state as follows -

2 The Town Municipal Council, Birur, have resolved on 30-10-1947 that the scales of pay of the several employees working under them, may be revised so as to keep the grades on a par with those sanctioned to the Government Departments in G.O No Fi 2010-70 S & A 25-46-6 dated 21-9-1947 The Scales of pay- existing and proposed - are given below -

	Appointment	Existing Scale.	Proposed Scale.
1	Clerks	Rs.25-1-10	Rs.40-2-50/2 B.3-80 and Rs 40-2-50
2	Octroi Manegar	20-1-25	25-1-30
3	Sanitary Inspector	35-2-55	45-3-90
4	Office Peon	12/-	18-1-23
5	Conservancy Duffedar	12/-	18-1-23
6	Honda Watchmen	10/-	14-½-18
7	Octroi Peons	10/-	-do-
8	Sweepers (Male)	10/-	-do-
9	-do- (Female)	10/-	-do-
10	-do- -do-	8/-	-do-
11	Scavengers	12/-	-do-

The extra cost involved in the proposed revision is Rs 273/- per month, as noted in the proposition statement

3 In this connection, it may be mentioned that the revision of scales of pay on the lines proposed by the Municipal Council, are very necessary to allay the discontentment among the - municipal employees, caused by the revision of scales in - Government Departments If the scales are not revised, difficulties will also arise in the interchange of officials between the

the Government Departments and the local bodies as also in the selection of suitable officials for work in the local bodies. The menials and scavengers who are ill-paid, compared with the pay sanctioned to the Government Departments, will be attracted by the scales prevailing in the Government Departments and this will result in slackness in work.

4 Considering the financial aspects, the finances of the Municipality cannot be said to be quite satisfactory A Copy of the review on the latest budget estimates of the Municipality is enclosed herein for information. The Municipal Council have agreed to bear the extra cost involved in the proposed revision, the necessity for which is keenly felt As the time is opportune for revision of the scales of pay, and as the Municipal Council have agreed to bear the extra expenditure, I request that orders of Government may be kindly obtained to sanction the proposed revision of scales of pay from 1-1-1947 The President, has been requested to devise means to improve the finances.

5. As the President, reports in his letter No H C.30/47-48 dated 25th January 1948, that the sweepers and scavengers are already urging for the enhanced pay, I request that early orders of Government may be kindly obtained in the matter.

I have the honour to be,

Adverting to your letter No L 16237 M1 104-47-29 dated 24th April 1948 conveying the approval of Government to the payment of the minimum salary according to the revised scales of pay proposed by the Town Municipal Council, Birur, with effect from Ist September 1947 and returning the proposition statements for a verification with reference to the scale and audit registers and other relevant records of the Municipality, I have the honour to retransmit the same after obtaining a certificate from the President of the Town Municipality to the effect that the statement has been verified with reference to the scale register and other records

With regard to devising ways and means of augmenting the resources of the Municipality, in view of its unsatisfactory financial condition, it may be stated that the levy of octroi on certain additional items viz , areca, butter, chunam and timber, The levy of Municipal taxes on the lorries and motor cars, and the levy of trade tax on potters and milkmen etc , are under the contemplation of the Municipal Council Proposals in this behalf are called for from the President When these proposals are sanctioned by Government, it would be possible for the Municipality to meet extra cost devolving on their funds as a consequence of the revision of scales of pay of the Municipal employees

In this connection, it may be stated that though the Birur Municipality should appoint a senior Sanitary Inspector according to the Government Order No L 8801-8902/M1 100-35-5 dated 20th May 1936, the sanctioned scale provides for the appointment of a Junior Sanitary Inspector, whose grade pay has been proposed to be revised to 45-3-90 The Sanitary Inspector now working in the Municipality is borne in the senior cadre and he has been proposed for a transfer

on account of un-satisfactory work, with a request to the Director of Public Health to arrange the posting of a Junior Sanitary Inspector against the sanctioned scale of the post

In the above circumstances, I request you kindly to obtain the kind sanction of Government to the proposed scales

Sir,

Subject - Revision of scales of pay of the employees of the Birur Town Municipality

Adverting to your letter No L 1732 dated 18th August 1948 calling for the information regarding the financial condition of the Birur Municipality during 1948-49, I have the honour to state that the Draft Budget Estimates of this Municipality for the year 1948-49 have been forwarded to the Government for sanction with my letter of 30th August 1948 Provision has been made therein for meeting the cost of the establishment for the year 1948-49 An income of Rs 38919/ is anticipated and provision has been made for an expenditure of Rs 39149/ The normal income of the Municipality is just above the normal expenditure as per modifications proposed by me However, the closing balance is far below the prescribed minimum The financial condition of the Municipality cannot be said to have improved unless the arrears of Rs 4093-12-1 outstanding under Municipal Taxes are collected energetically

As already intimated in para 2 of my letter dated 24-7-1948 new ways and means are being devised by the Municipal Council to improve the resources If the proposals are got sanctioned and given effect to, it would be possible to meet the extra cost devolving on the funds of the Municipality, without encroaching further on the prescribed closing balance of the Municipality

It may also be stated that the Municipal Council has an investment of Rs 24699-7-3 in the Government Savings Bank, being the surplus funds of the Municipality As the question of adopting the general revision of scale of pay of the Municipal employees and of the staff of the Municipal High School is an inevitable thing, the extra cost involved by the revision of scales of pay will have to be met by the Municipality Proposals will be made for the withdrawal of the requisite amounts from the said Savings Bank Account, if necessary

In these circumstances, I request you kindly to obtain

to obtain the early sanction of Government to the proposals made in my letter dated 23rd March 1948 The proposition statement may kindly be approved in the circumstance already explained in my letter dated 24th July 1948

I have the honour to be
Sir,
Your most obedient servant,

Dp Ramanayya

Deputy Commissioner,
